

# CHELMSFORD GERMAN CIRCLE

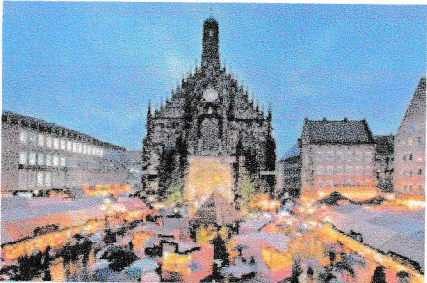

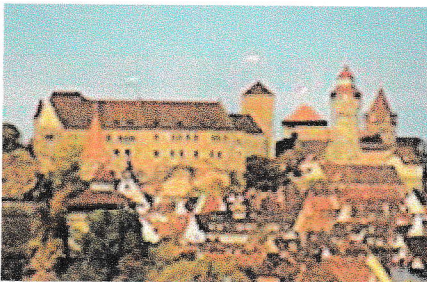

## AUTUMN PROGRAMME 2022

All meetings are on Zoom and start at 8pm

**Thursday 15th September** - Social evening

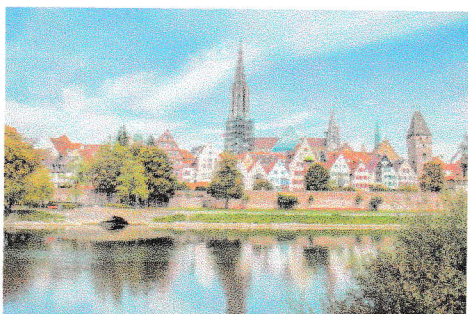

Our first meeting of the season is a social evening, an opportunity to catch up with each other after the summer break.

**Thursday 20th October, "Nürnberger Sagen und Legenden"**

Petra Zeilinger returns to talk to us about Nuremberg's myths and legends. Nuremberg has a lot of visible treasures and sights. What many tourists miss when strolling along without a knowledgeable guide, are the stories behind most of the sights. For example, there are two rings on the wrought iron enclosure of the „Schöner Brunnen“ - but do you know the drama leading up to it? Or why Nuremberg is the city of the world famous Christmas Market called „Christkindlesmarkt“? Learn about these and many other myths and legends in this presentation.

**Thursday 17<sup>th</sup> November ".....und um Ulm herum"**

Last season Pete Johnson spoke to us about his home city of Ulm (in Ulm, um Ulm), where he has lived for forty years. This month he is continuing on the theme with a talk on the attractions of southern Germany within easy reach of Ulm. Examples are the Schwäbisch Alb, Allgäu and Bodensee (Lake Constance).

The next **Kaffekränzchen** is on Wednesday 14th September, upstairs at Caffè Nero, High Street, Chelmsford. This fortnightly meeting takes place every two weeks and is your regular opportunity to practise your German conversation in an informal setting. Dates can be checked on our website, [chelmsfordgermancircle.org.uk](http://chelmsfordgermancircle.org.uk)
